

REFUND POLICY

Belmont Studios offers you the chance to preview your portrait before purchase. This allows you to see your portrait before purchasing. In the case of green screen portraits, a skilled green screen specialist will edit the photo to remove the background and to place your background choice with the photo.

We do not offer refunds on photo prints, digital files, or photo discs. If you have a concern about the quality of your product, we can discuss this with you on a case-by-case basis. Generally, we will replace/fix your product if it is the fault of our company. Please call our studio to speak with an associate about your concerns.
